## THE PORT SINGERS

This season marks the thirty-first anniversary of the Port Singers. Throughout this period our goal has remained constant - to offer music of quality for the enjoyment of our members and the community from which we are drawn. Though our backgrounds are diverse and our experience largely amateur, we are bound together by the joy of singing.

The Port Singers productions have been marked by their versatility and exclusivity. In December we offer a classical concert and in May, a musical show. These productions are, in every respect, the work of our members. We construct the sets, make the costumes, arrange the publicity and publish the program.

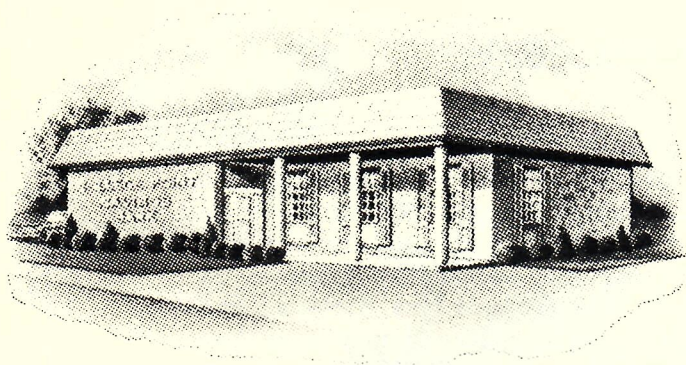

Some time ago the Port Singers inaugurated a scholarship program whereby high school students, chosen by their music department and a Port Singers committee, are invited to participate in the production as guest members. At the end of the year, several scholarships are awarded to outstanding high school seniors who plan to continue the study of music.

A large portion of the proceeds from each production is assigned to the Scholarship Fund. In addition, we are assisted in this endeavor by the Patrons and Sponsors whose names appear in the program. Without their continued moral and financial support, neither the productions nor the Fund would be as successful as it is.

If you would care to join us as an active member, or to help underwrite our expenses as a Patron or Sponsor, we cordially invite you to contact Jim Wilson, 767-5959, or to leave your name and address with an usher.
